

Choose Your Nose!

Wombat Paper Plate Mask Craft

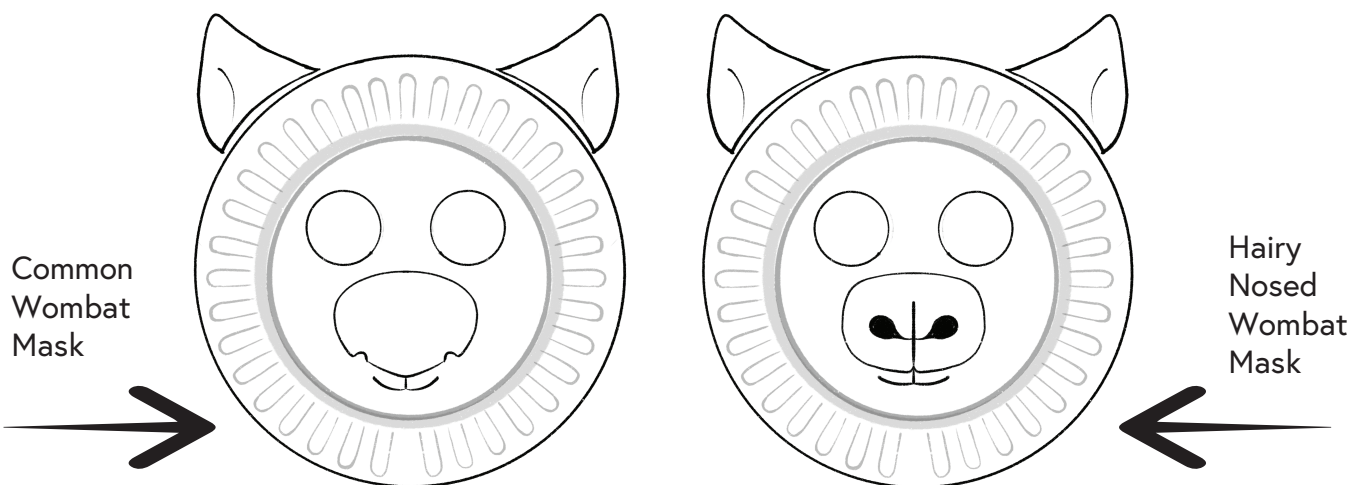

Make your own wombat mask! Choose between two different noses to make your mask a common wombat or a hairy nosed wombat.

Materials:

- Paper plate
- Brown paint and/or crayons
- Black and brown construction paper
- Black marker
- Popsicle stick
- Tape
- Scissors

Instructions:

- Paint or color the back of the paper plate using brown paint/crayons.
- Cut out the ear and nose templates.
- Place the ear template on the brown paper and trace.
- Cut out the ears.
- Choose a nose template (common wombat or hairy nosed wombat).
- Place chosen nose on the black paper, trace, and cut out.
- Tape ears to the top of the head (see diagram below for placement).
- Cut two eyes in the middle of the plate (see diagram below for placement).
- Draw a mouth using black marker.
- Tape popsicle stick to the bottom of the mask, enjoy!
